

Working Forum on Nature Education for Young Children

Arbor Day Farm, Nebraska City, Nebraska, USA
July 21 - 23, 2008

Early childhood educators, members of the environmental community, environmental designers, and community planners are called together to effect changes that make developmentally appropriate nature education a sustaining and enriching part of the daily lives of the world's children.

It is with deep gratitude that we thank you for your contribution to the Nature Action Collaborative for Children and World Forum Foundation. The funds that are donated will greatly enhance diversity in attendance for the events as well as improve the services we are able to provide in

working to keep children connected with nature. All donations are tax exempt as the World Forum Foundation is a 501(c)3 tax exempt non profit corporation. Tax exempt ID# 20-0340368.
